## Question 1

Can you give a quick introduction of your program/initiative on Suitable?  
Include competencies.

## Question 2

Can you tell us about a few digital badges you offer students and why you chose them?

## Question 3

How did you come to partner with Suitable and what problems were you looking to solve?

## Question 4

How did you initially launch to students? What worked best? What adjustments have you made since to continue engaging students?

## Question 5

What DEI programs have you implemented and now track over Suitable?

## Question 6

How does your school leverage the data for outcomes, assessment, accreditation, and continuous improvement?

# Question 7

Live from the audience!

# Conclude. Thank you!

Cory Sneyers

Director, University  
Partnerships
